

SEVENTH RAY PETITION TO BELOVED SAINT GERMAIN

Beloved Saint Germain,

September 8, 2002

We the Keepers of the Flame in the Twin Cities of Minnesota, USA, petition your great causal body today. We are embarking on a grand adventure to bring in the Golden Age into manifestation by working with the Seven Chohans of the Seven Rays in a unique way so as to bring down a little bit more of heaven of earth.

As a community we pledge to anchor the qualities and virtues of the Seventh Ray into our lives our teaching center and our community from September 5 through September 18, 2002 by:

1. Offering decrees and novenas to the Seventh Ray;
2. We will play our CDs and MP3's of songs, decrees and dictations continuously to help anchor the flame of your Retreat into our homes and our city;
3. We will offer community service in the Seventh Ray;
4. We will focus our attention on your great flame, Beloved Saint Germain and on your great momentum and oneness with God.

For the next two weeks (September 5 - September 18, 2002) as you take each of us who desire to visit and learn at the Universities of the Spirit, we petition you, our beloved Chohan of the Seventh Ray to work with us in that magical figure eight flow, as above so below. We ask that you grace our community in the Twin Cities and our personal lives with graces and blessings from the Seventh Ray. Thus we petition you for:

- \$ Joy -- Help us to manifest the Flame of Joy -- to laugh and sing and dance and play in the Spirit of the Seventh Ray.
- \$ Divine Alchemy/Transmutation -- Help us precipitate the abundance for our community in the Twin Cities, our sacred labor, our divine plan and the new Aquarian civilization.
- \$ Inspired Drama B Help us re-enact the grandeur of the great Shakesperian plays and unleashing the illumination of the inner mysteries. ALet the play begin!@
- \$ Freedom B Inspire us to never loose this incredible dispensation of Freedom you have secured for us in the United States of America and wherever the flame of Freedom is tended or where Freedom is being born.
- \$ Patriotic Fervor B Re-ignite the flame of the early American Patriots, Patriarchs, and Patrons of the Violet Flame in each one of us and the leadership of the United States government.
- \$ The Priesthood -- Strengthen the flame of Samuel, the great prophet in each one of us and our community, that the divinely inspired Priesthood and the Gift of Holy Orders may precipitate.
